

Take, or lend. Ho? No answer? Then Ile enter.
Best draw my Sword; and if mine Enemy
But feare the Sword like me, hee'l scarcely looke on't.
Such a Foe, good Heavens.

Exit.

Scena Septima.

Enter Belarius, Guiderius, and Arviragus.

Bel. You Polidore haue prou'd best Woodman, and
Are Master of the Feast: Cadwall, and I
Will play the Cooke, and Seruant, 'tis our match:
The sweat of industry would dry, and dye
But for the end it workes too. Come, our stomackes
Will make what's homely, fauour: Wearinesse
Can shone vpon the Flint, when restie Sloth
Findes the Downe-pillow hard. Now peace be heere,
Poore house, that keep't thy selfe.

Gui. I am thoroughly weary.

Arui. I am weake with toyle, yet strong in appetite.

Gui. There is cold meat i'th'Caue, we'l brouz on that
Whil't what we haue kill'd, be Cook'd.

Bel. Stay, comenot in:

But that it eates our victualles, I should thinke
Heere were a Faery.

Gui. What's the matter, Sir?

Bel. By Iupiter an Angell: or if not
An earthly Paragon. Behold Diuinenesse
No elder then a Boy.

Enter Imogen.

Imo. Good masters harme me not:
Before I enter'd heere, I call'd, and thought
To haue begg'd, or bought, what I haue took: good troth
I haue stolne nought, nor would not, though I had found
Gold strew'd i'th'Floore. Heere's money for my Meate,
I would haue left it on the Boord, so soone
As I had made my Meale, and parted
With Pray'r for the Prouider.

Gui. Money? Youth.

Arui. All Gold and Siluer rather turne to durt,
As 'tis no better reckon'd, but of those
Who worship durtie Gods.Imo. I see you're angry:
Know, if you kill me for my fault, I should
Haue dyed, had I not made it.

Bel. Whether bound?

Imo. To Milford-Hauen.

Bel. What's your name?

Imo. Fidele Sir: I haue a Kinsman, who
Is bound for Italy; he embark'd at Milford,
To whom being going, almost spent with hunger,
I am false in this offence.

Bel. Prythee (faire youth)

Thinke vs no Churles: nor measure our good mindes
By this rude place we lue in. Well encounter'd,
'Tis almost night, you shall haue better cheere
Ere you depart; and thanks to stay, and eate it:
Boyes, bid him welcome.Gui. Were you a woman, youth,
I should woo hard, but be your Groome in honesty:
I bid for you, as I do buy.Arui. Ile make't my Comfort:
He is a man, Ile loue him as my Brother:
And such a welcome as I'd giue to him(After long absence) such is yours. Most welcome:
Be sprightly, for you fall 'mongst Friends.

Imo. 'Mongst Friends?

If Brothers: would it had bin so, that they
Had bin my Fathers Sonnes, then had my prize
Bin lesse, and so more equal ballasting
To thee Posthumus.

Bel. He wrings at some distresse.

Gui. Would I could free't.

Arui. Or I, what ere it be,

What paine it cost, what danger: Gods!

Bel. Hearke Boyes.

Imo. Great men

That had a Court no bigger then this Caue,
That did attend themselves, and had the vertue
Which their owne Conscience seal'd them: laying by
That nothing-guist of differing Multitudes
Could not out-peere these twaine. Pardon me Gods,
I'd change my sexe to be Companion with them,
Since Leonatus false.

Bel. It shall be so:

Boyes we'l go dresse our Hunt. Faire youth come in;
Discourse is heavy, fasting: when we haue sup'd
Wee'l mannerly demand thee of thy Story.

So farre as thou wilt speake it.

Gui. Pray draw neere.

Arui. The Night to'th'Owle,
And Morne to th' Larke lesse welcome.

Imo. Thanks Sir.

Arui. I pray draw neere.

Exeunt.

Scena Octaua.

Enter two Roman Senators, and Tribunes.

1. Sen. This is the tenor of the Emperors Writ;
That since the common men are now in Action
'Gainst the Pannonians, and Dalmatians,
And that the Legions now in Gallia, are
Full weake to vnder take our Warres against
The false-off Brittaines, that we do incite
The Gentry to this businesse. He creates
Lucius Pro-Consull: and to you the Tribunes
For this immediate Leuy, he commands
His absolute Commission. Long liue Cesar.

Tri. Is Lucius Generall of the Forces?

2. Sen. I.

Tri. Remaining now in Gallia?

1. Sen. With those Legions
Which I haue spoke of, whereunto your leuie
Must be suppliant: the words of your Commission
Will tye you to the numbers, and the time
Of their dispatch.

Tri. We will discharge our duty.

Exeunt.

Actus Quartus. Scena Prima.

Enter Cloten alone.

Clot. I am neere to'th' place where they should meet,
if Pisanio haue mapp'd it truly. How fit his Garments
serue me? Why should his Mistis who was made by him
that

that made the Taylor, not be fit too? The rather (sauiug
reuerence of the Word) for 'tis saide a Womans fitnesse
comes by fits: therein I must play the Workman, I dare
speake it to my selfe, for it is not Vainglorie for a man,
and his Glasse, to confer in his owne Chamber; I meane,
the Lines of my body are as well drawne as his; no lesse
young, more strong, not beneath him in Fortunes, be-
yond him in the aduantage of the time, aboue him in
Birth, alike conuerfant in generall seruices, and more re-
markeable in single oppositions; yet this imperseuerant
Thing loues him in my despight. What Mortalitie is?
Posthumus, thy head (which now is growing vpon thy
shoulders) shall within this houre be off, thy Mistis in-
forced, thy Garments cut to peeces before thy face: and
all this done, spurne her home to her Father, who may
(happily) be a little angry for my so rough vlsage: but my
Mother hauing power of his testinesse, shall turne all in-
to my commendations. My Horse is tyed vp safe, out
Sword, and to a fore purpose: Fortune put them into my
hand: This is the very description of their meeting place
and the Fellow dares not deceiue me.

Exit.

Scena Secunda.

Enter Belarius, Guiderius, Arviragus, and
Imogen from the Caue.

Bel. You are not well: Remaine heere in the Caue,
Wee'l come to you after Hunting.

Arui. Brother, stay heere:

Are we not Brothers?

Imo. So man and man should be,

But Clay and Clay, differs in dignitie,

Whose dust is both alike. I am very sicke,

Gui. Go you to Hunting, Ile abide with him.

Imo. So sicke I am not, yet I am not well:

But not so Citizen a wanton, as

To seeme to dye, ere sicke: So please you, leaue me,

Sticke to your Iournall course: the breach of Custome,

Is breach of all. I am ill, but your being by me

Cannot amend me. Society, is no comfort

To one not sociable: I am not very sicke,

Since I can reason of it: pray you trust me heere,

Ile rob none but my selfe, and let me dye

Stealing so poorly.

Gui. I loue thee: I haue spoke it!

How much the quantity, the waight as much,

As I do loue my Father.

Bel. What? How? how?

Arui. If it be sinne to say so (Sir) I yoake mee

In my good Brothers fault: I know not why

I loue this youth, and I haue heard you say,

Loue's reason's, without reason. The Beere at doore,

And a demand who is't shall dye, I'd say

My Father, not this youth.

Bel. Oh noble straine!

O worthinesse of Nature, breed of Greatnesse!

"Cowards father Cowards, & Base things Syre Bace;

"Nature hath Meale, and Bran; Contempt, and Grace.

I'me not their Father, yet who this should bee,

Deth myracle it selfe, lou'd before mee.

Tis the ninth houre o'th' Morne.

Arui. Brother, farewell.
